Editor's Notes

I send my apologies for this late, brief edition of the Runways newsletter. However, the QRC news is limited and is dependent on member input as much as the editor's contribution. So, I would love to receive any running articles or race reports you have competed in recently. Thanks once again to Bonnie Davies, in Tasmania, for her continued contributions. Also, thank you to Bob Mc Nair (#2253) for sending this 40 year old picture of the Qantas City to Surf team, from 1974. The photo shows vintage hair styles and running gear. With the exception of the first two City to Surf events, Bob has competed every year. The great achievement as Bob has lived in Canada for many years now.

We welcome new club members, Sean Jury, Richard Koloski, Andre Stein, Tony Lord & Ngoc-Yen Tran..

Good luck to all members travelling to WARR, in Dublin, over the next couple of weeks. With the recent Qantas / Emirates partnership, travel to Europe through Dubai continues to be a challenge. Further info and team, is listed below.

Justin and I ran in the City to Casino fun run in Hobart on 19th May. This event marked the 12 month anniversary of my ruptured Achilles tendon so the nerves were certainly flying at the start. Conditions were perfect, clear and mild with a temp of 22 and completely still. The distance was 11km.
